

ACEP Energy Psychology

Certification Program Consultants

The consultants on this list are qualified to work with certification candidates who have completed the module tests and certification workshop. Candidates are encouraged to contact the consultant of their choice to meet the consultation requirement that is a vital component of the certification program.

Consultants set their own fees both for individual consultation and group consultation.

If there are questions that you would like to ask the Consultants as a group, you may send them to Debby Vajda at certification@energypsych.org. She will forward your post to the Consultants' yahoogroup, so that those who wish can respond to you.

**Once you have selected a Consultant,
please notify Debby of your choice.**

Note: **CONSULTANT CANDIDATES** are in training to become Certification Consultants, and hours with them count the same as hours with Certification Consultants.
